A screenshot of the SCUTUM DIGITAL login form. The form is white with rounded corners and is set against a solid blue background. At the top of the form is the SCUTUM DIGITAL logo. Below the logo are three input fields, each with a label and an icon: 'Account Number' with a person icon, 'Password' with a lock icon, and 'Street Number' with a location pin icon. Each input field has a placeholder text: 'Enter your account number', 'Enter your password', and 'Enter street number only (e.g., 123)'. Below the input fields is a small note: '(if there's no password on account, re-enter your account # in password field)'. At the bottom of the form is a dark blue button with a white arrow pointing right and the text 'Sign In'. Four orange arrows point from the right side of the form to the input fields and the Sign In button.

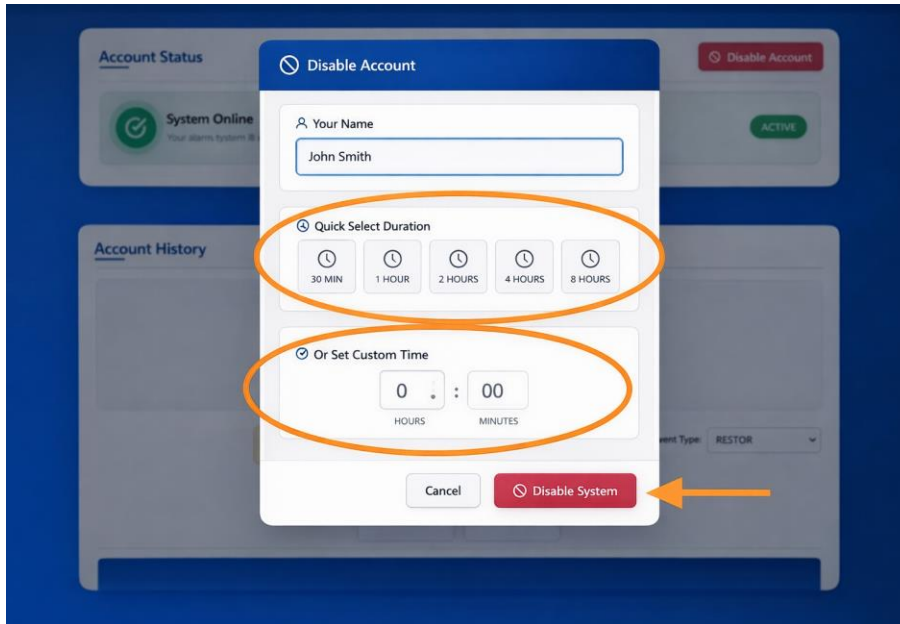

2. Once Logged in, it will take you to the screen below, To place the account On Test, press the red button labeled “Disable Account”

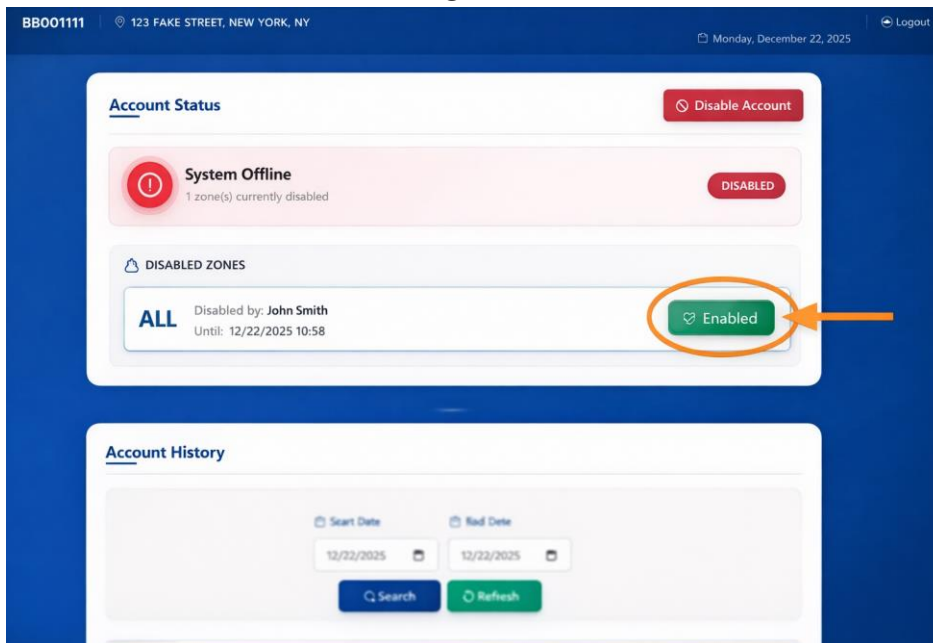

3. On pop up window enter in your full name

4. Choose your offline time by selecting quick action buttons or entering a custom time. Then click the red button labeled Disable System to save it.

5. To take the system OFF TEST so the account is LIVE, press the ENABLE button on the right of the test session.

6. To view the recent history of your account, set the date ranges and press "Search". Press the Refresh button to refresh the account events.

The screenshot shows the 'Account History' interface. At the top, there are date selection fields for 'Start Date' and 'End Date', both set to '12/22/2025'. Below these are 'Search' and 'Refresh' buttons. A summary section below the filters shows three boxes: '2 TOTAL EVENTS', '1 TEST EVENTS', and '1 RESTOR EVENTS'. Below this is a table of events.
